

**Halstead Middle School - 221 W. Sixth:**

Continue south on Halstead Road as you come into town

You will go nearly all the way through town until you get to 6th Street

Turn left on 6th Street and go east until you come to the school on the south side of the street.

The high school and middle school are near each other. The middle school is the building furthest to the east.

The football and track facility are just to the south of the school. Park in the school lot and walk back to the field.
